

BUG OFF

INSECT REPELLENT TOWELETTES

Description: **BUG OFF** insect repellent towelettes allows you to apply a highly effective repellent where it's needed the most. These towelettes are perfect for protecting exposed areas avoiding the hassles and dangers of spray repellents that sting the eyes and leave a nasty taste in your mouth. Unlike sprays that are hit and miss, **BUG OFF** allows you to apply repellent evenly, and where you want it, with no mess. One towelette is all you need to keep insects away for hours. **BUG OFF** ward's off the most bothersome biting insects including: *MOSQUITOES, STABLE FLIES, CHIGGERS, BLACK FLIES, TICKS, GNATS, DEER FLIES, AND FLEAS*. Towelettes are enhanced with aloe to keep skin smooth and soft, and they can be applied to clothes without causing stains.
